RE: Privilege log – Dkt. No. 289 ¶ 7

As per the Court's order, defendant Raj Abhyanker was to file a revised privilege log on August 7 at 5:00 p.m. Counsel for defendant respectfully informs the Court that although a revised privilege log was produced to Counsel for Plaintiff on August 7 at 3:39 p.m., it was inadvertently not filed with the court at the ordered date and time. In addition, some minor edits have been made to this log in order to correct two inadvertent inaccuracies, specifically, Privilege log number 17 has been changed to Marital Privilege, and Privilege log number 162 was missing its input in the description section, and has now been supplemented.

Sincerely,

/Kuscha Hatami/
